INTRODUCTION AND HISTORY

HIET Group of Institutions is a college established in 2010 at Shahpur by **Mr. Raman Kaistha (Chairman) & Mr. Dushyant Kaistha (M.D.)**, who laid the foundation of the Institution. HIET is situated in the foothills of the Himalayas surrounded with Dhauladhar mountain range. HIET is 25 km from Kangra and Dharamshala, towards Pathankot from Gaggal. HIET Group of Institutions have well-managed faculty with a practical approach towards technologies emerging in the market.

HIET Group provides best placements in Himachal Pradesh. Our graduates have been selected by leading national and multinational corporate houses, as a result of which some of the students are already placed in top notch companies in Delhi and Chandigarh.

The college offers courses in various fields like **B.Tech, Diploma, Hotel Management, Law, and Veterinary Course.** HIET offer scholarships to the students who have scored more than 90% marks at the 10+2 level. We also assist students with educational loans.

"HIET further provides the G-Suite accounts for the students to communicate with the lecturers digitally. All students who are eligible can directly apply for their preferred courses."

*From the past **11 to 13 years, the HIET Group** of Institutions has well established, enthusiastic and highly energetic environment with their surroundings.*

Many reputed organizations including MNC's visit the college for campus recruitments. In order to achieve its goal, the Training & Placement Cell, under the TPO works towards recognizing the core competencies of students and training them in the various skill sets required as per the current industrial scenario.

PROSPECTUS

At HIET we are passionate about grooming leaders who are not only professionals but also good human beings with values and ethics. HIET Institutions provide a variety of stimulating environments for intellectual development, free- thinking, and personal growth, challenging its students with dynamic learning opportunities and equipping them with the skills, insights, attitudes and practical experiences that are necessary to take up responsibilities in the society.

HIET group Of Institutions is approved by **AICTE/MHRD** New Delhi, **DTE** Sundernagar and Government of Himachal Pradesh and is affiliated to **HPTU** Hamirpur, **HPU** Shimla & **HPTSB** Dharamshala. With our outstanding faculty, world-class teaching standards and innovative academic programmes, **HIET** strive to set a benchmark in the Indian Education Ecosystem.

Education is the passport to the future, for tomorrow belongs to those who prepare for it today.

Mission

To develop a World class Institution in the area of Technology and manage-ment with highly devel-oped educational infra-structure, excellent facility, innovative pedagogy, and international

Vision

Vision – To become one of the leading center of teaching, research & extension in Engineering Law, Hotel Management and Veterinary Pharmacy through total commitment to excellence, to nurture technical and creative mind and make them learn, innovate and experience things.

MESSAGE FROM PRINCIPAL

Dr. Arjun Kumar

PhD IIT Roorkee

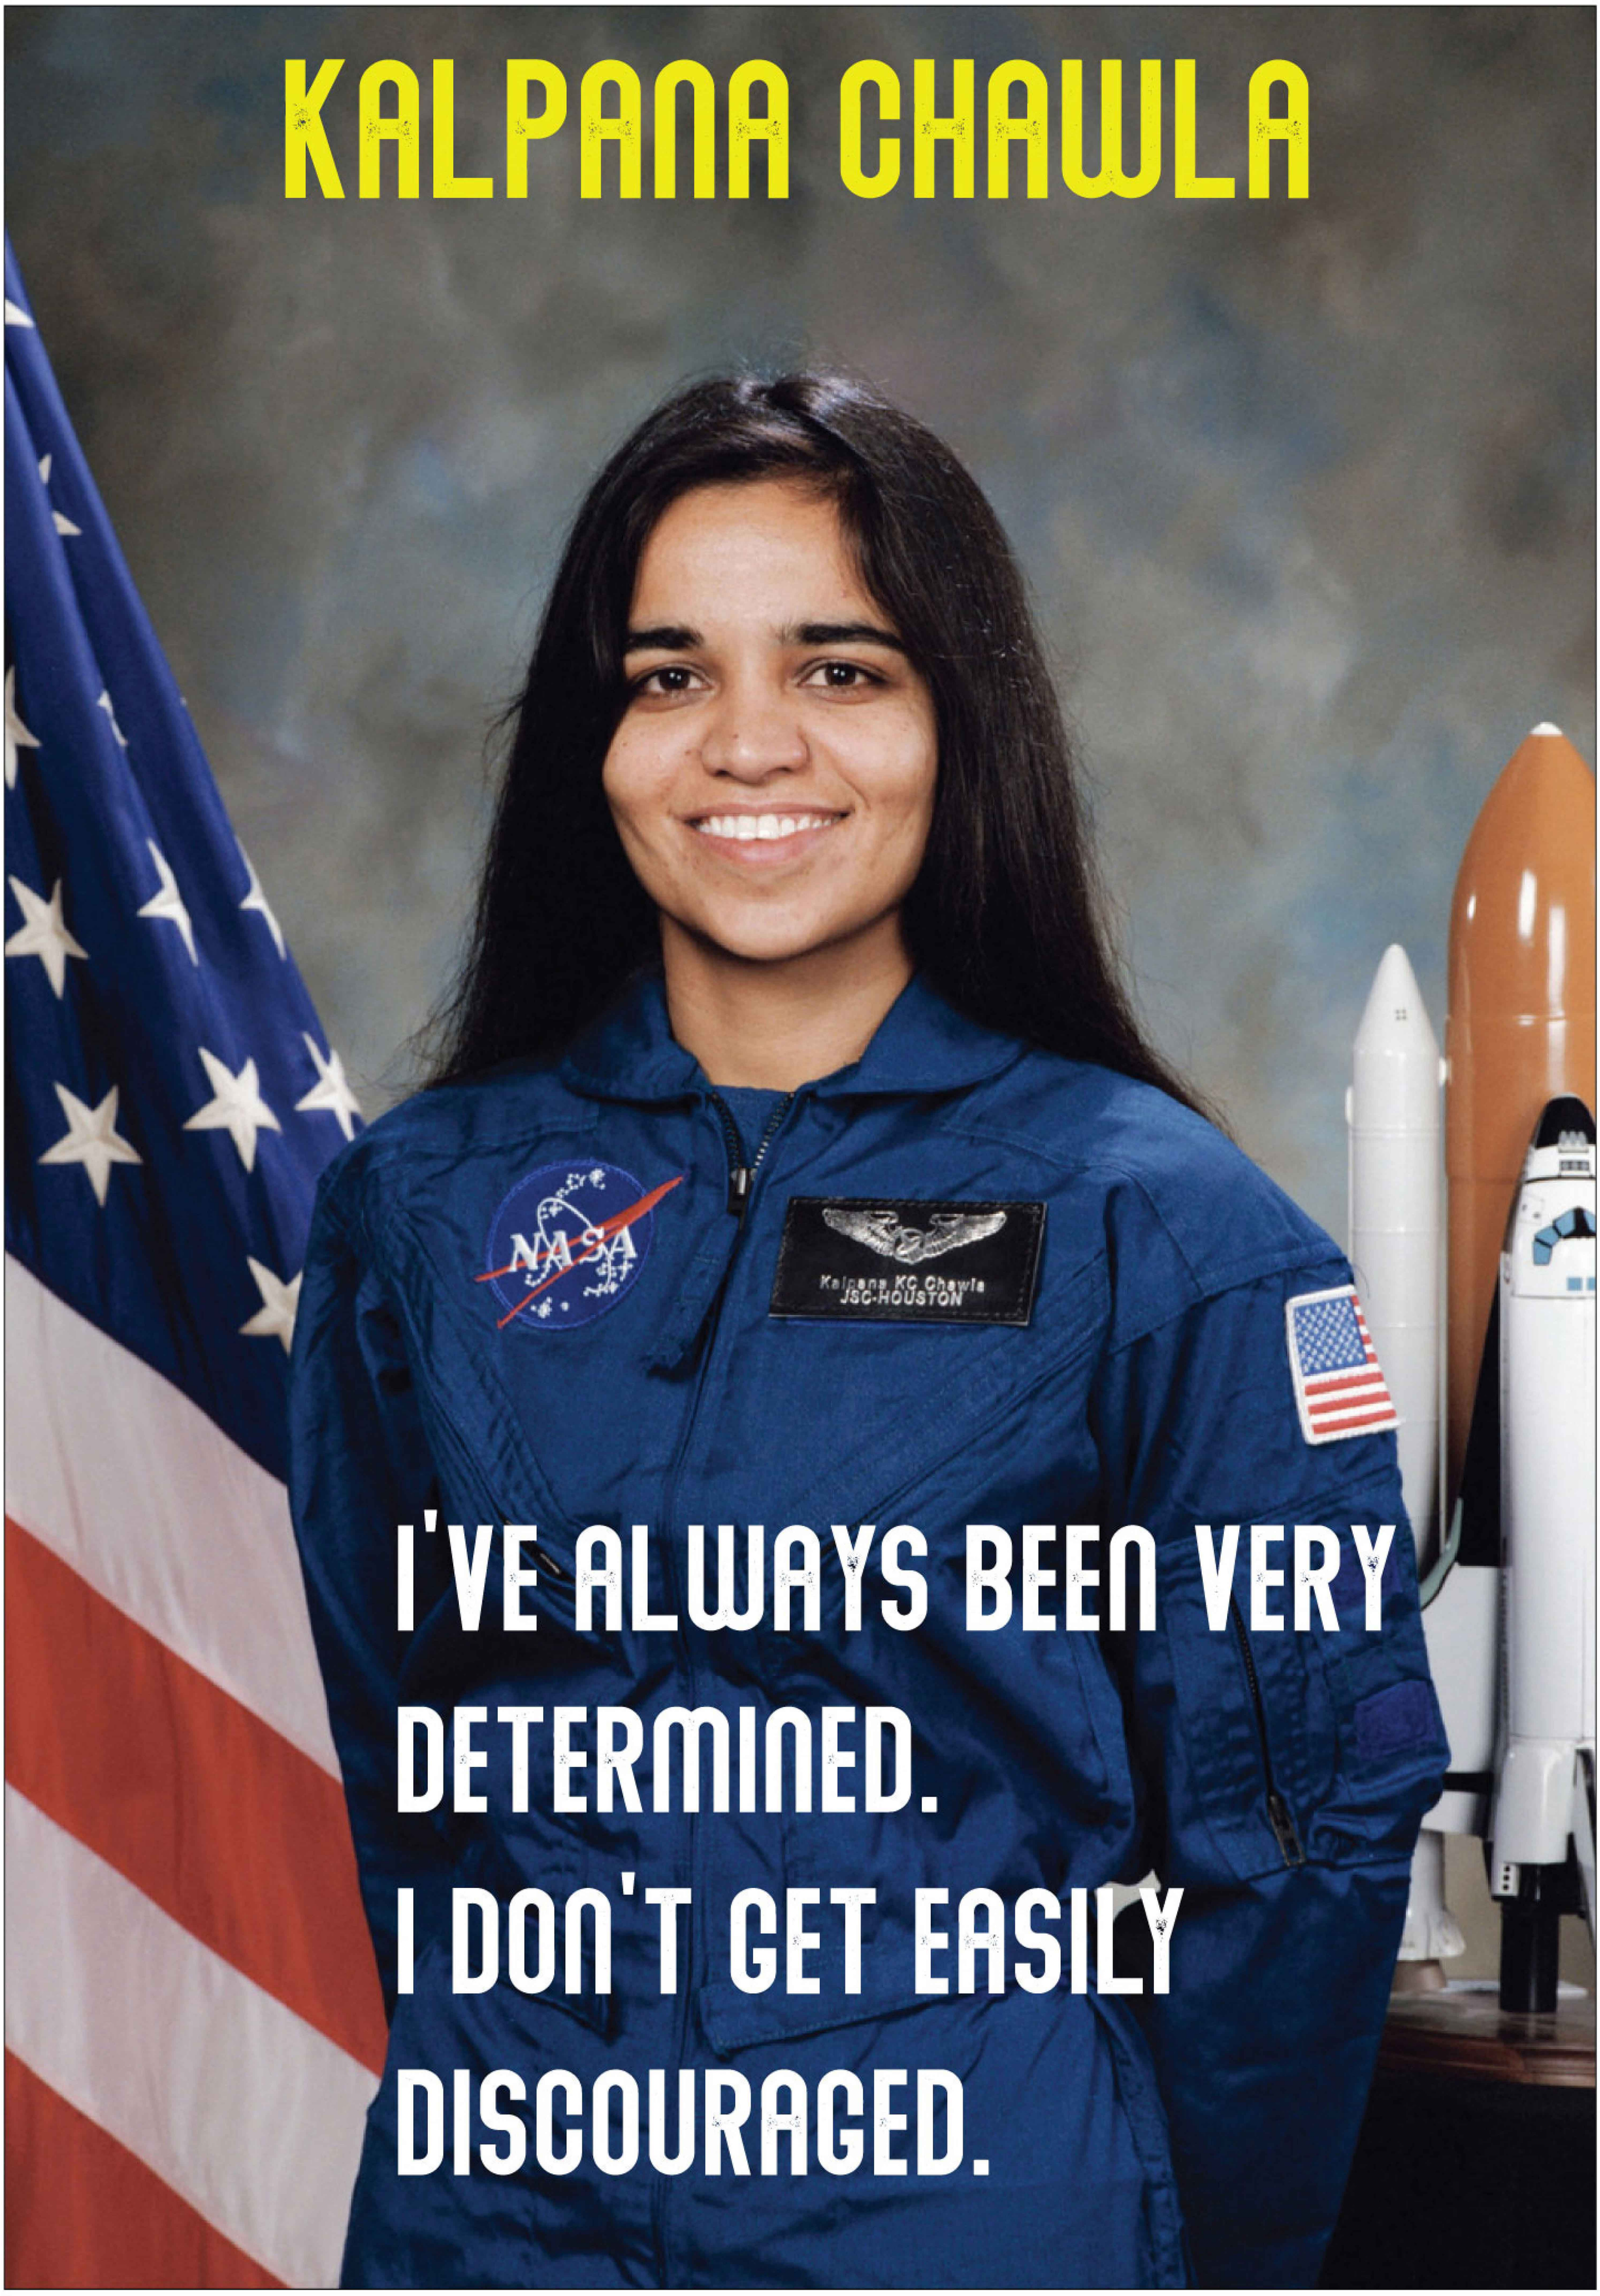
The inspiration behind the establishment of Himachal Institute of Engineering and Technology has been the concept that quality education forms the basic foundation of quality life. Education enables people to aspire and follow their dreams and goals in a focused and logical way.

In other words Shiksha (education) enables Sampannata (wealth) and never the other way around. Bearing this in mind the Dhauladhar Education society took upon itself the onus of providing access to such quality education to youth of Himachal Pradesh in particular and surrounding States of J&K and Punjab and providing them with a cutting edge ability to compete in the world ahead.

Moreover, with India expected to be the youngest nation in terms of working population age, the future sustainability of the economy would largely depend on the ability of our country to impart the right quality of education in an afford-able way.

The idea here is not only to provide an assembly line degree to the aspirants but to mould and sculpt them in such a way that they learn to adapt to change while remaining sensitive towards the requirements of the society at large. In the coming years, our focus would be not only to sustain our growth in the engineering sector alone but to diversify and provide for the same standard of education in the field of medical sciences and achieve new heights with every passing year. Wish you all good luck!!!!

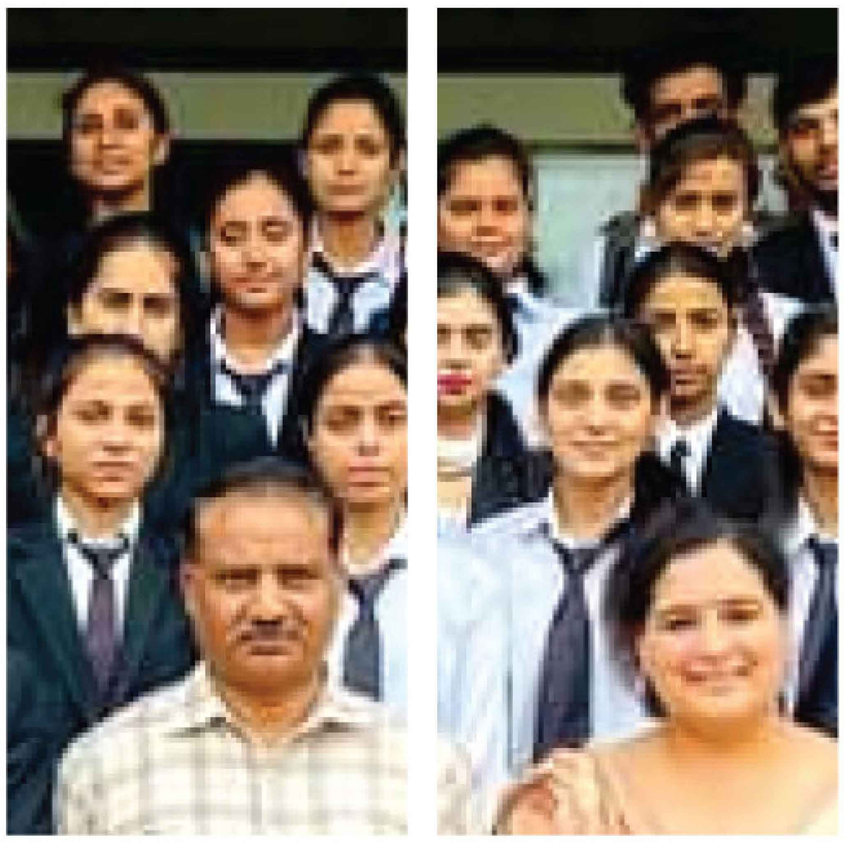
KALPANA CHAWLA



I'VE ALWAYS BEEN VERY DETERMINED. I DON'T GET EASILY DISCOURAGED.

FEW WORDS ABOUT HIET

HIET Group Of Institutions provide a variety of simulating environments for intellectual development, free thinking, and personal growth, challenging its students with dynamic learning opportunities and equipping them with the skills, insights, attitudes and practical experiences that are necessary to take up responsibilities in the society.



The goal of the institute is to build a vibrant multi-cultural learning environment wherein all involved shall contribute effectively, efficiently and responsibly in order to meet the expectations of technical human resource at national and international level. We also aim at achieving academic excellence in engineering technology, hospitality and law by imparting quality and value based.

WHY STUDY AT HIET

01 INFRASTRUCTURE

HIET Group of Institutes have well- furnished infrastructure along with fully equipped technical labs for Engineering, and Computer labs.

02 FACILITIES

HIET provides the transport and Hostel facilities for their students so that it makes them feel comfortable to keep the focus on their studies and development .The entire campus is surrounded by a Wi-FI system where students can get all the detailed information that is required in the development of their knowledge.

03 PLACEMENT CELL

With relevant conceptualized skills our placement cell guides our students towards a bright future. Workshops related to the latest technologies are organized to provide a competitive edge.

FACILITIES AT HIET

01 CAREER GUIDANCE/ PLACEMENT CELL

With vibrant and updated “Career Guidance/ Placement Cell” at HIET Group of Institutions, they are here to coordinates and monitors the requisite training to the students based on the feedback/interactions with the industries.Time to time job fairs is arranged by the Placement Cell so as the students will get placed as per their experience and knowledge.

02 TRANSPORT FACILITY

HIET Group of Institutions caters for the transport facility for our students from the college to Dharamshala, Palampur, Kangra, and Jawali. Convenient pick-up points have been set up close to their homes on all the routes, along with increasing the number of buses facilities depending upon the number of increasing strengths.

03 COMPUTER LABS AND INTERNET

The computing resources at HIET include latest servers, workstations and a WiFi campus network. There are high-end servers which host the HIET intranet services, library database, mail, and other software. Apart from the individual nodes, the computer lab is equipped with scanners, laser printers, multimedia projectors, digital camer-as, etc to serve the needs of faculty and students.

04 LIBRARY

A library is a student’s best friend and plays an important and significant role in his academic career in terms of knowledge enhancement and referrals to the prescribed syllabi of his course material. The newly constituted, state-of-art library at HIET is evolving into a world class setup. It has more than 15000 books.

05 CLASSROOMS

The classrooms provide the most favourable atmosphere for vibrant and focussed discus-sions, designed to bring together scrutiny with action and are amplified by well-equipped facilities. These halls are excellent for focusing the attention of a large group on a single point either through an instructor or an audio-visual presentation.

06 HOSTEL

Separate hostel accommodation is available for both boys and girls wanting to avail of this facility. Round the clock security services, along with the required support staff and a full-time warden for both hostels, makes their stay comfortable and results in an amicable solution to their problems, if any. A standby vehicle for the hostlers is a vailable for any emergency, if as & when required.

07 SPORTS

The playground infrastructure for the outdoor games of volleyball, cricket, basketball, and badminton have been made available on the campus. The facilities for indoor games of chess, table tennis and caroms, etc are also available. In campus Gym facilities are also available where students can make themselves physically fit and healthy.

OUR COURSES

B.TECH | POLYTECHNIC/DIPLOMA | HOTEL MANAGEMENT | LAW

VETERINARY

01 B.TECH

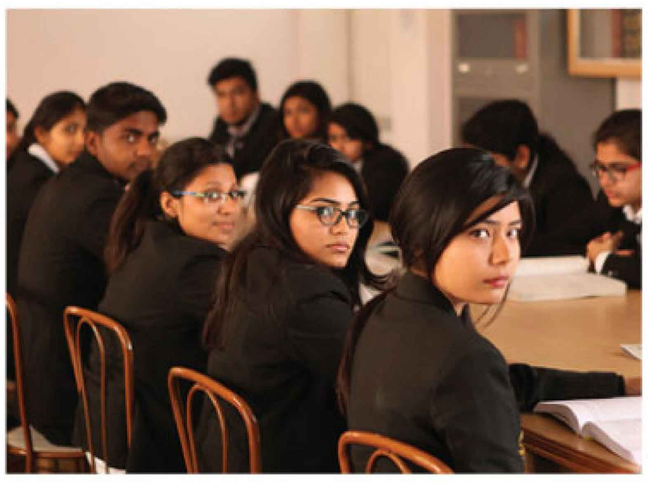
It is the most elevated quality of undergraduate studies among every single other branch. The office is glad to have all around prepared research centers like Surveying, Geotechnical engineering, Concrete innovation, Strength of materials, Fluid mechanics, transportation.

02 POLYTECHNIC/DIPLOMA

HIET provides quality education and sound knowledge of different fields with qualified faculty who possess industrial experience in various departments. The department has developed to become a Centre of Excellence to enhance the understanding of basic engineering principles.

03 HOTEL MANAGEMENT

India being one of the most prominent travel destinations, foreseeing the needs of this flourishing industry HIET, the best hotel management college in Himachal has been on the forefront of providing the most professional education in this ever-growing field and equipped with highly qualified faculty and infrastructure



04 LAW

Law holds a prominent place in modern civilization and so do the legal fraternity. Law has its widest implication in today's time as the reach of the law is immense. It has opened a new era of opportunities in the legal field. It is one of the most challenging and promising careers for aspiring students. HIET offers 5 years integrated BA-LLB course to the students.

05 VETERINARY

A veterinary pharmacist is an animal fitness expert with a doctoral diploma and superior schooling associated with the usage of pharmaceutical products. The responsibilities might also additionally range relying at the particular nature in their employment (i.e. whether or not they paintings in academia, for a corporation, for a veterinary associated business.

Be more dedicated to making solid achievements than in running after swift but synthetic happiness
