HIET GROUP OF INSTITUTIONS

At HIET we are passionate about grooming leaders who are not only professionals but also good human beings with values and ethics. HIET Institutions provide a variety of stimulating environments for intellectual development, free- thinking, and personal growth, challenging its students with dynamic learning opportunities and equipping them with the skills, insights, attitudes and practical experiences that are necessary to take up responsibilities in the society

HIET group Of Institutions is approved by AICTE/MHRD New Delhi, DTE Sundernagar and Government of Himachal Pradesh and is affiliated to HPTU Hamirpur, HPU Shimla & HPTSB Dharamshala. With our outstanding faculty, world-class teaching standards and innovative academic programs, HIET strive to set a benchmark in the Indian Education Ecosystem.

OUR BELIEFS

OUR MISSION

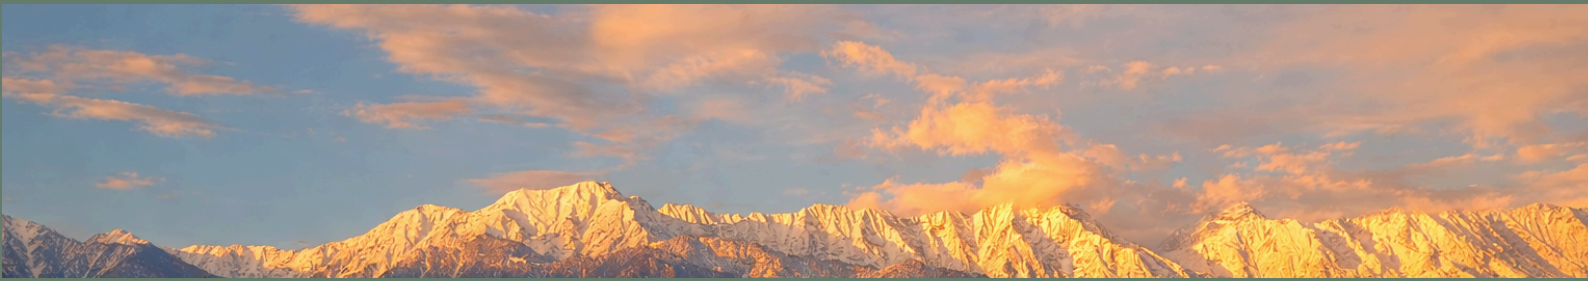

To develop a World class Institution in the area of Technology and management with highly developed educational infrastructure, excellent facility, innovative pedagogy, and international

OUR VISION

Our vision is to provide quality education, strong values, and innovative opportunities that shape future-ready leaders and inspire meaningful growth in society.

ABOUT HIET GROUP OF INSTITUTIONS

HIET Group of Institutions is a college established in 2010 at Shahpur by Mr. Raman Kaistha (Chairman) & Mr. Dushyant Kaistha (M.D.), who laid the foundation of the Institution. HIET is situated in the foothills of the Himalayas surrounded with Dhauladhar mountain range. HIET is 25 Km from Kangra and Dharamshala, towards Pathankot from Gaggal. Hiet Group of Institutions have well-managed faculty with a practical approach towards technologies emerging in the market.

HIET Group provides best placements in Himachal Pradesh. Our graduates have been selected by leading national and multinational corporate houses, as a result of which some of the students are already placed in top notch companies in Delhi and Chandigarh.

The college offers courses in various fields like B.Tech, Diploma, Hotel Management, Law, and Veterinary Course. HIET offer scholarships to the students who have scored more than 90% marks at the 10+2 level. We also assist students with educational loans.

HIET Group Of Institutions provide a variety of simulating environments for intellectual development, free thinking, and personal growth, challenging its students with dynamic learning opportunities and equipping them with the skills, insights, attitudes and practical experiences that are necessary to take up responsibilities in the society.

The goal of the institute is to build a vibrant multi-cultural learning environment wherein all involved shall contribute effectively, efficiently and responsibly in order to meet the expectations of technical human resource at national and international level. We also aim at achieving academic excellence in engineering technology, hospitality and law by imparting quality and value based

The Paradise Awaits You.

Director's Message

At HIET Shahpur, we believe education is not just about earning a degree — it is about building confidence, discovering potential, and preparing for the future. Our goal is to create an environment where innovation meets opportunity and students are encouraged to think beyond boundaries.

In a world driven by technology and rapid change, we focus on experiential learning, industry exposure, research, and skill development to help students stay ahead. With modern infrastructure, dedicated faculty, and a vibrant campus culture, HIET empowers students to grow academically, professionally, and personally.

We strongly believe that true success comes from a balance of knowledge, creativity, leadership, and values. Through technical events, cultural activities, innovation programs, and collaborative learning, we aim to shape future-ready professionals who can confidently face global challenges.

At HIET, every student's journey is filled with possibilities, learning, and transformation. I warmly welcome you to be a part of this inspiring journey and build a future full of success and achievement.

Raman Kaistha
Director

Managing Director's Message

At HIET Shahpur, we believe that education is the strongest foundation for personal growth, professional success, and social progress. Our vision has always been to provide quality and affordable education that empowers students to dream big, think innovatively, and become confident leaders of tomorrow.

Under the guidance of the Dhauladhar Education Society, HIET has continuously worked towards creating an environment that blends academic excellence with practical learning, discipline, and strong moral values. We are committed to nurturing young minds with the knowledge, skills, and confidence required to meet the challenges of a rapidly changing world.

In today's competitive era, education must go beyond classrooms and textbooks. At HIET, we focus on the overall development of students through industry exposure, research opportunities, innovation-driven activities, cultural events, and technical programs that prepare them for global opportunities.

As we move forward, our mission remains to inspire students to become responsible citizens, skilled professionals, and compassionate individuals who contribute positively to society and the nation.

I warmly welcome you to the HIET family and wish you success in all your future endeavors.

Dushyant Kaistha
Managing Director

Principal's Desk

The establishment of Himachal Institute of Engineering and Technology was inspired by the belief that quality education is the foundation of a successful and meaningful life. Education empowers individuals to dream big, think logically, and achieve their goals with confidence. In true spirit, Shiksha leads to Sampannata—knowledge creates prosperity.

With this vision, the Dhauladhar Education Society committed itself to providing accessible and high-quality education to the youth of Himachal Pradesh as well as neighboring states such as Punjab and Jammu & Kashmir. Our aim is to equip students with the skills, knowledge, and confidence needed to excel in an ever-evolving global world.

As India moves towards becoming one of the youngest nations in terms of workforce, the strength of our future economy depends greatly on affordable and quality education. At HIET, we focus not only on awarding degrees but on shaping responsible, adaptable, and socially aware individuals ready to meet future challenges.

Dr. Arjun Kumar
Phd IIT Roorkee

Dean's Desk

The vision of the institute is to create a dynamic and future-ready learning environment that nurtures exceptional talent and builds responsible individuals. We strive to blend knowledge with practical application and strong values, contributing meaningfully to society, the nation, and humanity.

Education plays a vital role in shaping young minds into ethical and capable citizens. At HIET, we focus on combining technological excellence with skill development to prepare students for real-world challenges. Since its inception, the institute has upheld a strong tradition of experiential learning, empowering students with both intellectual strength and moral integrity.

Our goal is to develop leaders who are innovative, adaptable, and socially responsible. Through continuous interaction with industry and strategic collaborations, we provide students with valuable exposure, research opportunities, and a platform to excel in their chosen fields.

On behalf of the faculty, staff, and students, I warmly welcome you to the HIET Group of Institutions and wish you a successful and fulfilling academic journey.

DR.NARESH SHARMA
PhD CHEMISTRY

WHY MAKES HIET GROUP OF INSTITUTIONS DIFFERENT?

1. Modern Infrastructure

HIET offers a well-developed campus with modern classrooms, advanced laboratories, and fully equipped computer labs that create an ideal learning environment.

2. Student-Friendly Facilities

The institute provides comfortable hostel and transport facilities along with campus-wide Wi-Fi connectivity to support student convenience and academic growth.

3. Dedicated Placement Support

Our Placement Cell actively guides students toward successful careers through training sessions, workshops, and industry-oriented skill development programs.

4. Quality Education

HIET is committed to academic excellence with an industry-relevant curriculum and experienced faculty members who bring practical knowledge into the classroom.

5. Diverse & Vibrant Community

Students from various backgrounds come together at HIET, creating a dynamic learning atmosphere that promotes collaboration and cultural understanding.

6. Peaceful Location

Situated in Shahpur, HIET provides a calm and inspiring environment that helps students stay focused on studies and personal growth.

7. Holistic Development

The institute encourages participation in sports, cultural events, and extracurricular activities to enhance leadership, confidence, and overall personality development.

8. Industry Exposure

Students gain practical experience through industrial visits, internships, seminars, and interactions with professionals, preparing them for real-world challenges.

Facilities at HIET

1. Advanced Laboratories

HIET offers well-maintained and fully equipped laboratories for practical learning, research, and innovation across various disciplines.

2. Modern Library

A spacious and resourceful library with academic books, journals, digital resources, and a peaceful study environment for students.

3. Separate Hostels for Boys & Girls

Safe, comfortable, and well-managed hostel facilities with a student-friendly atmosphere and essential amenities.

4. Reliable Transport Facility

A proper transport network connecting nearby towns and villages, ensuring safe and convenient daily travel for students and staff.

5. Campus-Wide Wi-Fi

High-speed Wi-Fi connectivity across the campus to support learning, research, and digital access.

6. Clubs & Student Societies

Various technical, cultural, sports, and social clubs that help students explore talents, build confidence, and develop leadership skills.

7. Promotion of Extracurricular Activities

HIET strongly encourages participation in sports, cultural events, competitions, and community activities for holistic growth.

8. Research & Development Cell

Proudly hosting one of the first R&D Cells in Himachal Pradesh, fostering innovation, projects, startups, and research culture among students.

9. Career Guidance & Placement Support

Dedicated training programs, workshops, and placement assistance to prepare students for successful careers.

10. Safe & Green Campus

A clean, secure, and peaceful campus environment with modern infrastructure that promotes focused learning and personal development.

Events & Achievements

Youth Fest 2026

HIET proudly hosted Youth Fest 2026, bringing together students from 30+ colleges. The event served as a vibrant platform for cultural exchange, creativity, and talent showcase. It helped students build confidence, enhance teamwork, and experience healthy competition while fostering strong inter-college connections.

Hack-O-Fest (State-Level Hackathon)

HIET also organized Hack-O-Fest, a state-level hackathon focused on innovation and problem-solving. The event encouraged students to work on real-world challenges, develop technical skills, and collaborate in teams under competitive conditions. It provided valuable exposure to industry-level thinking, boosting creativity, coding skills, and practical knowledge.

Impact on Students

These initiatives reflect HIET's commitment to holistic development by going beyond academics. Such events help students improve leadership, communication, critical thinking, and innovation—preparing them to excel in their professional careers.

Events & Achievements

Sports at HIET Group of Institutions

HIET promotes a vibrant sports culture by encouraging students to participate in indoor and outdoor games, university tournaments, and athletic events. The institute provides excellent opportunities for students to develop teamwork, discipline, leadership, and fitness. Through continuous participation and achievements in various competitions, HIET has strengthened its identity as an institution that supports both academic and sporting excellence.

NCC at HIET Group of Institutions

The NCC unit at HIET plays an important role in developing discipline, confidence, leadership, and patriotism among students. Cadets actively participate in training camps, social service activities, awareness drives, and national events. The growing involvement and achievements of NCC cadets reflect HIET's commitment to holistic student development and nation-building values.

LEGAL EXCELLENCE AT HIET

National Moot Court Competition

HIET proudly organized a National Moot Court Competition, bringing together aspiring law students from various institutions to showcase their advocacy, research, and courtroom skills. The event provided students with practical exposure to legal proceedings, enhancing their confidence, analytical thinking, public speaking, and understanding of the judicial system.

Student Achievement – Ms. Aditi

Adding another milestone to HIET's legacy, Ms. Aditi, a distinguished student from the Department of Law, achieved the prestigious position of Assistant District Attorney (ADA). Her success stands as an inspiration for aspiring law students and reflects the institute's dedication towards academic excellence, discipline, and career-focused education.

PRIDE OF HIET – LT. DEEPAK BADHAN

HIET Shahpur proudly congratulates Assistant Professor Deepak Badhan on achieving the rank of Lieutenant after successfully completing rigorous training at the Officers Training Academy (OTA), Nagpur.

Through intensive military training in leadership, communication, weapon handling, and endurance, he emerged among 517 cadet trainee officers from across the country.

Lt. Deepak Badhan will now serve in the NCC unit at HIET Shahpur under the 5th Himachal Pradesh Battalion, Dharamshala, guiding cadets with values of discipline, leadership, and patriotism.

His achievement is a matter of great pride and inspiration for the entire HIET family.

MBA Program

About MBA

The MBA program is designed to prepare students for managerial and leadership roles in various industries. The curriculum combines theoretical knowledge with practical applications through case studies, projects, presentations, internships, and industrial exposure.

MBA Specializations

- Marketing Management
- Human Resource Management
- Finance Management
- Operations Management
- Business Analytics
- International Business
- Information Technology
- Entrepreneurship

MBA Program Objectives

- Develop managerial and leadership skills
- Enhance strategic thinking abilities
- Build communication and decision-making skills
- Provide industry exposure and practical learning

Career Opportunities after MBA

- Marketing Manager
- HR Manager
- Financial Analyst
- Operations Executive
- Business Consultant
- Sales Manager
- Project Coordinator
- Entrepreneur

MCA Program

About MCA

The MCA program focuses on advanced computer applications, software development, programming, networking, database management, and emerging technologies. The course prepares students for careers in the IT and software industry.

MCA Program Highlights

- Programming Languages
- Software Engineering
- Artificial Intelligence
- Data Analytics
- Web Technologies
- Cloud Computing
- Cyber Security
- Mobile Application Development

MCA Program Objectives

- Build strong technical and analytical skills
- Develop software development expertise
- Promote innovation and problem-solving
- Prepare students for IT industry requirements

Career Opportunities after MCA

- Software Developer
- System Analyst
- Database Administrator
- Web Developer
- Network Engineer
- Data Analyst
- IT Consultant
- Cyber Security Analyst

Industry Connect

LARSEN & TOUBRO

HIET Shahpur takes pride in its strategic collaboration with Larsen & Toubro EduTech Limited, making it the only institution in Himachal Pradesh with such a prestigious industry tie-up. This partnership reflects HIET's commitment to delivering industry-aligned education and creating strong career pathways for students.

Through this collaboration, over 1,250 skill-based courses have been introduced across four years in high-demand domains such as Cybersecurity, Artificial Intelligence, Machine Learning, Cloud Computing, Data Science, Web Development, Digital Marketing, Smart Manufacturing, and more, along with essential soft skills.

HIET continues to work closely with L&T to ensure students gain practical exposure, hands-on learning, and industry-relevant expertise. With such strong and consistent corporate partnerships, HIET stands out as a leading institution in the region, offering students a clear advantage in employability and career growth.
